ALL-AMERICA CITIZEN CONTEST

Do you know an All-America Citizen who exemplifies All-America City ideals? The Wild West Festival Committee and The Hays Daily News want to honor the unsung heroes who make Ellis County such a great place to live and work.

Join us on Saturday, July 2, 2011 at the Wild West Festival as we celebrate and recognize our outstanding citizens.

Please describe the actions and qualities that make your nominee an All-America Citizen. Remember that the All-America City Award recognizes communities that can work together to identify and solve their common problems. Therefore, we are looking for citizens you know who provide out of the ordinary services to our community. These are the people who demonstrate in their daily lives a grassroots, hands-on, can-do attitude.
